## **What To Expect**

Attendees will experience one of the best deals in the entire alpaca industry, with the opportunity to spend Saturday in a relaxed atmosphere learning about various aspects of raising alpacas. Throughout the day there will be opportunities to learn about alpaca ranching from speakers (including ranchers and a CPA with alpaca ranch clients), demonstrations and hands-on experiences. Time will be set aside for questions; and ranchers will be available to talk to participants during breaks, at lunch and at dinner. Seminar handouts containing informative material and articles will be provided for each participant.

Sunday will provide the opportunity to visit several established ranches. Each ranch is unique, so you'll get to see all shapes and sizes of alpaca ranches. All of the ranches are located within a 30-minute drive of each other.

**\*\* While Alpaca ranching is a family venture, children wanting to attend the seminar should attend the Sunday Ranch Open Barns Only. Thanks for your understanding. \*\***
