

WHO SHOULD ATTEND?

- ◆ Anyone serious about exploring the benefits of alpaca ranching
- ◆ Ranchers and farmers wanting to diversify
- ◆ Investors searching for an alternative investment offering with substantial tax advantages
- ◆ Professionals looking for a means to provide a rural income
- ◆ Fiber artists desiring to start a fiber herd

WHAT TO EXPECT

You will have a great two days exploring the joys of alpaca ranching with others who share the same interest and experienced ranchers. **A CPA with alpaca ranch clients** will be sharing the tax advantages of alpaca ranching and answering specific questions participants have about getting started.

Comments from Past Seminar Participants

"More information than I ever expected to get...great door prizes too!

"A real deal at this price."

"Very well done program with great informative presentations."

"Far Surpassed my expectations!"

"What a wonderful day...loved being around the alpacas!"

"The brochure could not describe the event...it was awesome!"

The Saturday portion will be held at the WhiteHall Community Center between Navasota and Hempstead. Directions will be provided with your confirmation.

While alpaca ranching is a family venture, children wanting to attend should plan to attend the Sunday ranch open barns only.
