

Alpacaworks Andrea Boccelli

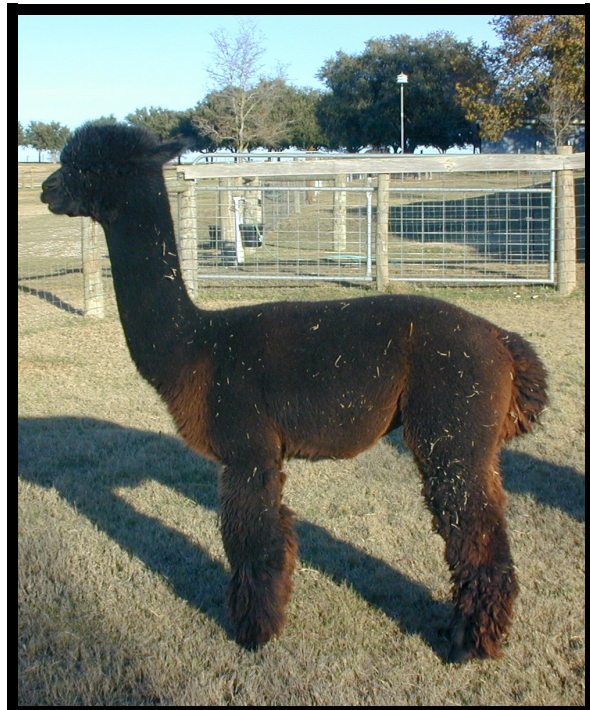

Standing in the pasture, Boccelli appears to be chocolate brown, and he is ARI registered as a bay black. His dam is a true black out of Patagonia's Sinopsis Nocturna and his sire is Patagonia's Neruda (see photo below). In addition to his soft dense fleece and his great genetic background, Boccelli is conformationally correct, has a great personality and is a pleasure to work with.

**STANDING STUD AT
MOUNTAIN DREAM ALPACAS
