

CHR Cisco

Cisco is a nice light brown huacaya male. He is the son of Andean Pride and grandson of Magical Farms Dracula. When Cisco placed first in his class at the 2007 Louisiana Deep South Alpaca Show, Judge Sharon Loner commented "he is a nice macho male with a good top line, good solid body and a soft dense fleece when you get your hands down into it". Cisco is quite an enthusiastic breeder and is ready and waiting to show your girls a good time.

Breeding Fee - \$1200
