

Mountain Dream's Rocky

Rocky is a beautiful gentle, large & well-proportioned Suri male. His awesome presence, with his multi color fleece, makes him stand out in the pasture. His fleece is consistent throughout, displaying lots of luster and lock structure. Winning blue ribbons at an early age and at his last shows in adult classes, the judges asked if he was in the breeding program yet. They strongly recommended to get him in the program soon, that we had a winner! Rocky's sire is Angel's Advocate, a 3/4 Peruvian bay black winner of many awards. Rocky offers a complete package, with his beautiful fleece coverage from the tip of the ears to the tips of his toes, strong conformation and a true-to-type Suri head. He is now in the breeding program and his introductory stud fee is \$1,500.00.
