Vito has a fine, dense fleece with magnificent staple length, stunning conformation and crimp all the way to his toes! He has a wonderful disposition and turns heads wherever he goes. He is holding his micron really well, tends to throw the dam's color and produces females to males 2 to 1.

Book two breedings to Altair's Vito and get half off the second breeding.

See reverse side for contact information and more details.

Vito's New Mexico offspring have done well at the shows they've attended - 2 championships, 2 reserve championships, 6 blue ribbons and several 2nds thru 5ths.

His Texas babies debuted on last year's show circuit and have done well. Five went to the TxOLAN show in February, 2009 - all five won ribbons and two received blue ribbons. One of his Texas beauties has 3 blue ribbons and 1 reserve championship!

Add these championship genetics to your breeding program - book your breeding today!

Vito will be standing stud at Que Sera Alpacas in Santa Fe through December, 2009. He will then go to Mountain Dream Alpacas, Navasota, TX in January and serve that area until May, 2010.
